Crime and Fraud Prevention Presentations available for your community

- **The Top Ten Consumer Scams:** This presentation offers a description of the top ten consumer scams of 2007, listing red flags to watch for and empowering individuals to identify when they are being scammed.
- **Buying a Car: How to avoid being ripped off :** This presentation shows consumers what aspects of the process to be aware of when buying a car. It also covers common misconceptions about the auto purchasing process.
- **Identity Theft:** This presentation explains the most common ways in which you could become a victim of identity theft, discusses what you can do to protect yourself against identity theft, and suggests actions to be taken if you become a victim of identity theft.
- **Internet Safety for Parents, Teens or Children:** This presentation describes to the listener some of the current dangers facing children and teens online, including cyber-stalkers, cyber-bullies, pedophiles on the Internet and how easy it can be to use the Internet to steal your identity. The presentation is continually updated based on emerging technology and is tailored to the age and experience of the intended audience.
- **Life Care Planning:** This presentation explains why it is necessary to have a Durable Health Care Power of Attorney, Living Will, Pre-Hospital Medical Directive, and the Durable Mental Health Care Power of Attorney and walks audience members through the process of filling out the appropriate forms.
- **Predatory Lending: Red Flags** This presentation discusses the tactics used by predatory lenders, what to watch out for and the rights of consumers.
- **Protecting Arizona Seniors:** This presentation uses the results of our 2007 "Seniors Strike Back" mail project to warn of common scams targeting the elderly. It provides tips for seniors to protect themselves and advice for friends and family to protect vulnerable seniors.
- **Methamphetamine: The Basics:** This presentation describes the drug methamphetamine and how it affects the human body, as well as what law enforcement is doing to help curb its use and associated criminal activity.
