

Arizona Attorney General Terry Goddard

**Educating ♦ Protecting ♦ Empowering
Arizona's Consumers**

"Prevention is the best way to stop criminals. By giving more Arizonans information about consumer fraud and resources available for help, more people will spot the red flags and protect themselves and their loved ones." Terry Goddard, Arizona Attorney General

COMMUNITY SERVICES PROGRAM AND SATELLITE OFFICES

The Arizona Attorney General's Community Services Program provides educational programs that focus on consumer fraud and protection of civil and victims' rights for community groups interested in learning more about these areas. Program topics include: Top 10 Consumer Scams, Auto Purchase, Life Care Planning, Predatory Lending, Internet Safety, Cyber Bullying, and Fair Housing. Community Services Program staff focus on Arizona's most vulnerable populations, including seniors, minorities and recent immigrants. A corps of volunteers generously donates their time to enable these services to be offered in communities throughout Arizona.

The Community Services Program includes **Satellite Offices** throughout the state of Arizona. These offices provide community-based venues that make it easier for residents to access information on consumer fraud, civil and victims' rights and other topics affecting the most vulnerable members of the community and the general population. Volunteers staff satellite offices, make educational presentations for community groups, distribute educational materials at community events and assist individuals with filing complaints or referrals for assistance.
