Sigh. I'm on vacation and Jen is in training, neither of us were even planning to attend. Now Jen is, because we thought you wanted an update. So we've all been scrambling for the wrong reasons. Let me start a thread with the relevant folks and you to clarify the agenda.

I'm so confused. I'm only attending because the meeting landed on my calendar and I didn't know if you all wanted me there or not to support you in whatever was going to be discussed.
