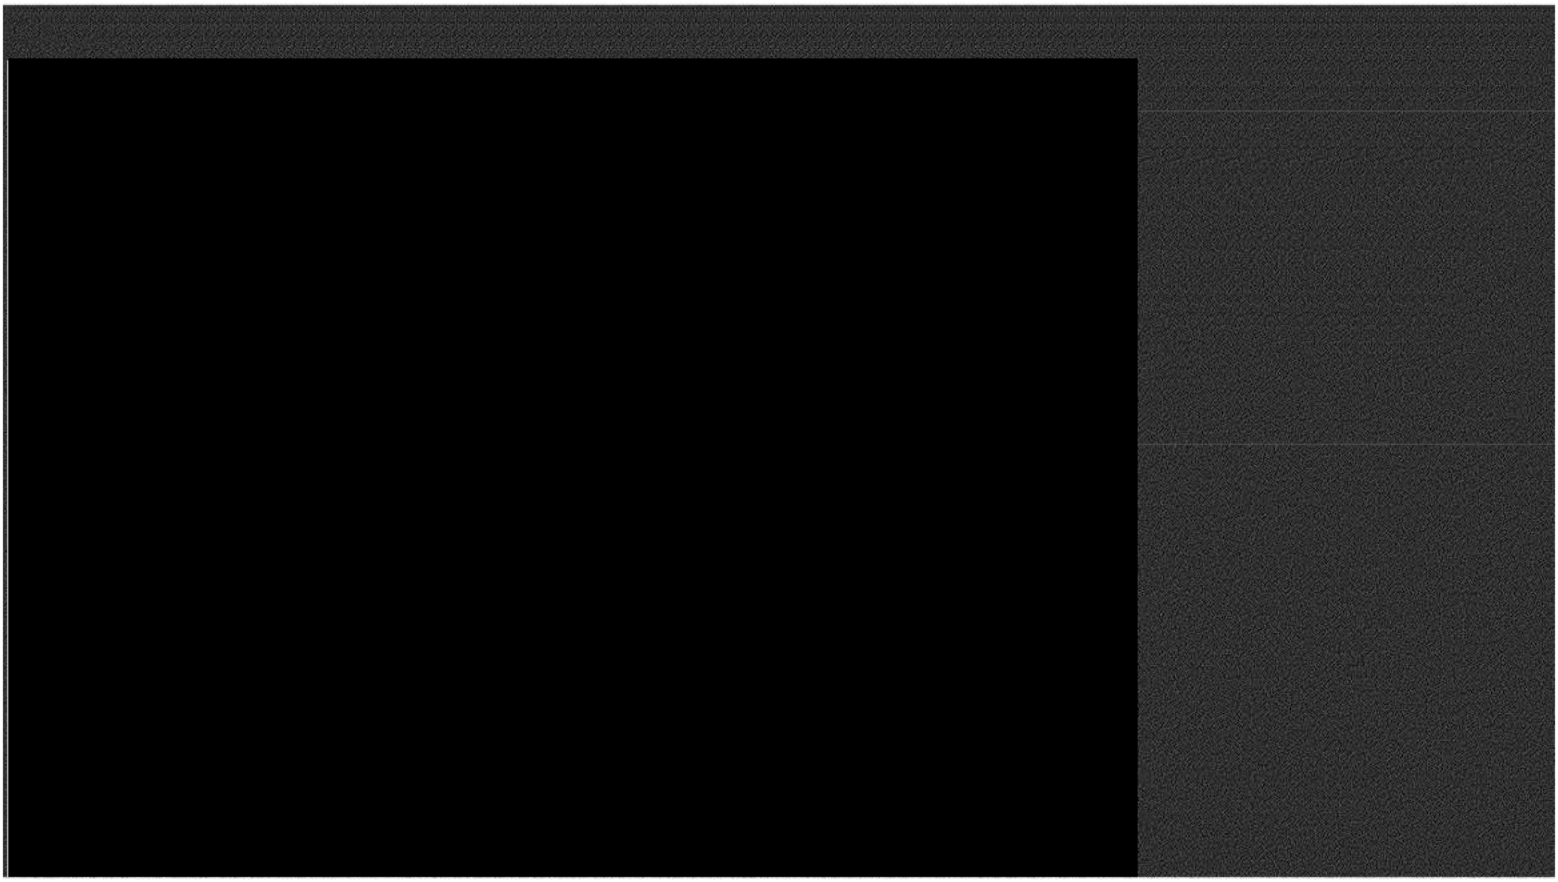
Exhibit 247



01

What did we study?

CONFIDENTIAL GOOG-GLAZ-00126372

Goals & Method

Topics

Here are the topics that we included in this study:

1. Dashboard - V8
2. Broad Consent

[redacted]

[redacted]

CONFIDENTIAL GOOG-GLAZ-00126373

[redacted]

Research questions

- Do users comprehend what will happen if they turn on the Web & App activity setting (in the context of an app)?
- Does adding "My Activity" in Activity controls help comprehension?
- Do they understand what happens to their already stored data when they turn it off?
