Gentlemen,

I wanted to bring your attention to ARS 36-789(M), which requires that every student (and other person) subject to isolation or quarantine be provided an attorney at state expense. I would like to ask for an attorney general's opinion as to whether this applies to isolated or quarantined students sent home from a school due to potential exposure. This request is made pursuant to ARS 41-193(A)(7). I am requesting an expedited answer due to the fact that this is happening as we speak and we have had parents and a student arrested already due to protesting this policy. I appreciate your time.

Thank you,  
Senator Kelly Townsend
