*Re: Election 2020 Grassroots Canvass Report*

Dear Ms. Harris:

On Saturday, October 9, 2021, an unauthenticated report was submitted to the Elections Integrity Unit ("EIU") entitled *Elections 2020 Grassroots Canvass Report*, purportedly written by you. The report purports to aggregate specific instances of potential fraud related to the 2020 General Election. Notably, no related evidence has been submitted to the EIU for review.

If you would like the EIU to review the evidence you purport to possess, please submit your sworn complaint to the EIU through our Election Complaint Submission form at <https://www.azag.gov/complaints/election>. Until such time as the evidence is received by the EIU, the EIU can take no further action.

Sincerely,

A handwritten signature in blue ink that reads "JWright".
