Dear Leaders De Los Santos and Sundareshan,

Thank you for sharing your concerns regarding the Isaac School District. I share your commitment to ensuring transparency, accountability, and the responsible stewardship of public funds, especially when it comes to our public schools and the students they serve.

Yesterday, I shared in a press conference that my office will investigate the full scope of the circumstances surrounding the district's financial mismanagement, including any potential violations of the law.

I appreciate your support and commitment to working together to ensure the integrity of our public education system.

Sincerely,

Kris Mayes
