Office of the Attorney General

WRITTEN DETERMINATION PURSUANT TO A.R.S. § 41-4802

This written determination is made by the Arizona Attorney General in accordance with A.R.S. § 41-4802. The Arizona Attorney General has determined that it would be cost effective and in the public interest to engage a private law firm to assist with the Office's litigation regarding consumer fraud in the cord blood banking industry. Pursuant to § 41-4802(B), the Attorney General previously issued a request for proposals and hereby selects Keller Rohrbach L.L.P., pursuant to standard consumer protection contingency fee contract, AG24-0016-004.

The Attorney General has determined that it is necessary and appropriate to retain Keller Rohrbach L.L.P. on a contingency fee basis for the reasons that follow.

1. There currently do not exist sufficient and appropriate legal resources within the Attorney General's Office to handle the matter without additional assistance;
2. The time and labor required to perform the necessary legal tasks exceeds or likely soon will exceed the current capacity of the Attorney General's Office without additional assistance;
3. Individual attorneys within the Attorney General's Office possess the skill necessary to properly initiate and oversee this matter, but given the novelty, complexity, and difficulty of the issues and stakes currently pending litigation and possible future related litigation, the Office would greatly benefit from the expertise offered by Keller Rohrbach L.L.P.;
4. The geographic area where the private attorney services are to be provided is primarily in the State of Arizona, although the conduct at issue involves in no small part other jurisdictions and will require signification out-of-state action related to other pending state and multi-district litigation and possible future related litigation;
5. The Attorney General has determined the attorneys of Keller Rohrbach L.L.P. have substantial complex litigation experience and familiarity with high stakes litigation, trial practice, and appellate litigation at the highest levels;
6. The primary purpose of this agreement will be to enforce all applicable legal authority for liability and remedies to the State, and obtain damages, costs of suit and investigation, attorney's fees, and any other appropriate and available remedies and relief.

Whether a government agency or a frightened individual hoping to never again be involved with the legal system, Adam Rosenberg can be depended on to aggressively take on his client's cause.

Adam represents both plaintiffs and defendants in a wide array of civil matters. His practice centers on litigation of a complex nature, including catastrophic injury, insurance bad faith, civil rights, land use, water law, and business disputes among others. He's litigated high-stakes cases of national importance, as well as cases that were only important to the people involved.

Originally from Pennsylvania, Adam came to the Pacific Northwest for school, receiving a bachelor's degree in Business Administration from the University of Washington and his J.D. from Seattle University School of Law. Before joining Keller Rohrbach, Adam worked for multiple, other prominent Seattle-area firms. He credits any practice success he's had to osmosis, having been privileged to work with (and against) some of the best trial lawyers in the country.

When not working, Adam enjoys spending time with his wife and two children, running, hiking and generally waging war against the natural aging process.

Re: Request for Proposal Solicitation #BPM005735
AGO Project #AG24-0016
Confidential Information Designation: Supporting Documentation

To whom it may concern:

I work for both public and private clients, some of whom will be put at a disadvantage if my rates are broadly disseminated. Additionally, per the terms of the RFP, I am offering a rate to the State of Arizona that is not available to other clients, so ensuring its confidentiality has independent economic value to myself as well. For these reasons, it is respectfully requested that confidentiality of the proposed rates be maintained.

1. SCOPE OF WORK

1.1. Background

The Office of the Arizona Attorney General (AGO) has the authority to bring actions alleging violations of the Consumer Fraud Act (A.R.S. §44-1521 *et. seq*) and/or other state and federal consumer protection laws. The Civil Litigation Division (CLD) of the AGO works to protect the public from consumer fraud, antitrust and anti-competitive conduct, and related civil litigation matters, as well as to provide advocacy and public education on consumer protection and related issues with an emphasis on fraud and abuse.

1.2. Purpose

The purpose of this Request for Proposal is to establish contracts with legal counsel for the AGO to independently retain legal counsel, on an “as needed, if needed” basis to assist with legal action against potential parties for violations of the law arising out of deceptive acts and misrepresentations made to Arizona consumers as well as other related conduct. Upon retention, Outside Counsel will assist the AGO on a contingency fee basis per the terms set forth in this Request for Proposal. It is understood that this contract, due to the complexity of legal matters, is not intended to be a mandatory contract. Certain matters may be contracted outside this contract based upon the specific need.

1.3. Assignment of Cases

No work, in the name of the Office of the Arizona Attorney General or the State of Arizona shall be undertaken without a written assignment letter or Notice to Proceed from the AGO. Cases will be assigned based on a case-by-case basis.

1.4. Goals

Litigation on matters would be brought under the Arizona Consumer Fraud Act, A.R.S. § 44-1521 *et. seq* and/or other state and federal consumer protection laws and related statutes, on behalf of the State of Arizona. Such litigation would seek to recover civil penalties, disgorgement, restitution, attorneys' fees, costs, potential injunctive relief and other equitable relief, and any other appropriate relief, after consultation with the AGO. The Attorney General will consider seeking all or any combination of these remedies.

1.5. Hierarchy

The retention of Outside Counsel under this contract is intended to aid the Attorney General in representing the State of Arizona in potential matters. The AGO will be actively involved in all stages of matters and will be the ultimate decider on all material aspects and issues, including (but not limited to) whether and when to file suit; whom to sue; what claims to assert in any suit; and whether and on what terms to settle or proceed to trial. The AGO shall be co-counsel of record in the litigation.

1.6. Scope of Work Tasks

Outside Counsel shall be responsible for the following tasks and shall perform these tasks in accordance with the Method of Approach or other case-plan documents prepared in connection with a particular representation, written assignment letter, or Notice to Proceed.

1.6.1. Evaluation of Legality of Practices

1.6.2. Decision Process

	<p style="text-align: center;">SCOPE OF WORK</p> <p style="text-align: center;">SOLICITATION NUMBER: BPM005735</p> <p style="text-align: center;">PROJECT#: AG24-0016</p>	<p style="text-align: center;">State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004</p>

- 1.6.3. Pre-Litigation Activities
- 1.6.4. Litigation, including all appeals
- 1.6.5. Litigation Support (including document reviews)
- 1.6.6. Post Litigation Support

1.7. Reporting

1.7.1. Monthly Reports

Outside Counsel shall prepare and submit monthly reports to the AGO summarizing activities from the previous month and detailing the hours, rates, and costs incurred during that month. Throughout the pendency of this matter, Outside Counsel shall maintain detailed contemporaneous time records for the attorneys and paralegals working on the matter in increments of no greater than one tenth of one hour and shall promptly provide these records to the AGO on request. Where time is spent or expenses are disbursed or incurred by Outside Counsel that also benefit other clients of Outside Counsel in other, similar litigation, only the portion of such time or expenses exclusively allocable to the State in connection with this matter shall be claimed as reasonable expenses of prosecuting the envisioned litigation. The report shall also include activities planned for the upcoming month and budgetary costs associated with these activities. The report shall be due by the seventh day of each month. Reports shall be prepared in a format and of a quality approved by the AGO.

1.7.2. Reporting of Related Litigation

If at any time during the course of a representation Outside Counsel serves as class counsel or files court papers seeking to serve as class counsel in a class action related to the representation or the conduct at issue in the representation, Outside Counsel must immediately notify the AGO of the pertinent class action and Outside Counsel's role or requested role in the class action. If at any time during the course of the representation Outside Counsel serves as counsel to any other government entity with respect to the conduct at issue in the representation, Outside Counsel must immediately notify the AGO of the government entities represented by Outside Counsel and the specific claims filed or requested to be filed. The AGO, in its sole and reasonably exercised discretion, shall make all determinations as to whether an additional representation by Outside Counsel in the MDL constitutes a conflict with the interests of the State of Arizona.

1.8. Compensation

1.8.1. Contingency

Neither the Office of the Attorney General nor the State of Arizona is liable under this Agreement to pay compensation to Outside Counsel other than from a specific fund of monies that is recovered in connection with assigned matters on behalf of the State or its agencies as a result of settlement or judgment.

1.8.2. Compensation

- 1.8.2.1. It is agreed that the pre-set, fixed fee ("Fee") to be charged by Outside Counsel in connection with the representation described in this Agreement shall be contingent so that if no recovery is obtained on behalf of the Attorney General or the State of Arizona in this matter, no Fee will be charged by Outside Counsel for the representation. If there is a recovery, the Fee will be based on the contingent fee percentages set forth in

	<p style="text-align: center;">SCOPE OF WORK</p> <p style="text-align: center;">SOLICITATION NUMBER: BPM005735</p> <p style="text-align: center;">PROJECT#: AG24-0016</p>	<p style="text-align: center;">State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004</p>
---	--	--

A.R.S. § 41-4803, which percentages shall be applied to the gross amount received by settlement, at trial, or on appeal.

- 1.8.2.2.** The Fee shall not include costs, except as set forth here. Outside Counsel shall be responsible for paying all internal, litigation-related expenses of Outside Counsel, including (but not limited to) costs related to copies and office supplies, as well as all fees relating to factual discovery and document review, including (but not limited to) document review fees, document hosting and storage fees, and fees related to acquisition of attorney work product from related actions pertinent to factual discovery or review of documents. Fees relating to the engagement and use of expert witness, as well as court fees and appearance fees shall be the responsibility of the State. These fees for which the State will bear ultimate responsibility shall be paid by the State only as follows. Outside Counsel shall advance all such costs and expenses on behalf of the State. Outside Counsel shall not submit to the AGO or the State an invoice for such costs and expenses on an interim basis, but instead shall keep a detailed accounting during the course of the representation (subject to review upon request by the AGO). In the event of any recovery by the State or AGO in connection with this representation, the State agrees that Outside Counsel shall then be paid for all such advanced costs and expenses from the State's share of the recovery. In the event the litigation is dismissed, or the State recovers an amount that does not exceed the reimbursable costs and disbursements detailed above, or the State recovers nothing, or Outside Counsel is terminated without cause, the AGO agrees to seek a legislative appropriation to reimburse reasonable costs. Outside Counsel understands and acknowledges that the AGO's obligation to pay for such costs and expenses under said circumstances is entirely subject to and conditioned upon a legislative appropriation outside the control of the AGO, and Outside Counsel may seek a recovery for such costs and expenses only from funds so appropriated. The State will, however, be responsible for and pay any costs or expenses directly assessed against the State in connection with this representation by a court of competent jurisdiction, such as jury fees and taxable costs of an opposing party.
- 1.8.2.3.** Notwithstanding the above, neither the State nor the AGO shall be responsible for sanctions entered against Outside Counsel.

1.9. Basis of Compensation

- 1.9.1.** If there is a recovery and collection of disgorged profits or penalties for the State, the amount of compensation due to Outside Counsel as a Fee shall be paid in an amount no greater than the percentages set forth in A.R.S. §41-4803, with the limitations set forth in the statute not to be exceeded, the contingent fee shall not be applied to any amount agreed upon, awarded, recovered, received, or collected as consumer restitution, and the Fee being further subject to judicial approval for reasonableness.
- 1.9.1.1.** Contingency fee maximums are established by A.R.S. §41-4803, the AGO reserves the right to negotiate the rate before assigning a case.
- 1.9.2.** A defendant who is "settling" is a defendant who has entered into a written settlement agreement with the State of Arizona. The settlement agreement shall determine the compensation as per paragraph 1.12. Settlement below.

	<p style="text-align: center;">SCOPE OF WORK</p> <p style="text-align: center;">SOLICITATION NUMBER: BPM005735</p> <p style="text-align: center;">PROJECT#: AG24-0016</p>	<p style="text-align: center;">State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004</p>
---	--	--

- 1.9.3.** If Outside Counsel represents any other governmental entity in litigation related in type to that detailed above against the same or similar entities as those described above, and agrees to represent such entity for a contingency fee lower than that set forth in A.R.S. §41-4803, the contingency fee herein shall be reduced to meet that lower percentage. It is the intent of Outside Counsel to provide the State of Arizona with the best price it offers for its services.
- 1.9.4.** The State reserves the right to petition any court before payment to determine reasonableness of attorneys' fees outlined in this Agreement.

1.10. Challenge to Contingency Fee Arrangements

- 1.10.1.** The AGO and Outside Counsel agree that the contingent fee provisions set forth in A.R.S. §§ 41-4801 to 41-4805 are valid and govern any contract that may result from this Request for Proposal. The AGO and Outside Counsel agree that the percentage limitations of A.R.S. § 41-4803 properly apply to the special circumstances of this solicitation. The AGO and Outside Counsel further agree that the percentages set forth in A.R.S. § 41-4803 are reasonable and in the public interest.
- 1.10.2.** The AGO and Outside Counsel are aware that defendants may challenge and seek to invalidate or limit this contingency fee arrangement. Any such challenge shall not excuse Outside Counsel's performance under this Agreement. The AGO agrees to join Outside Counsel in opposing any challenge to this contingency fee arrangement. In the event of a successful challenge to this contingency fee agreement, the AGO agrees to join Outside Counsel in arguing to the Court that the contingency fee percentages set forth in A.R.S. § 41-4803 are fair and reasonable for purposes of compensation and a formal attorneys' fees application, and in the event such argument is not successful, then Outside Counsel agrees to and shall continue its representation of the State in the litigation at the following maximum hourly billing rates: for partners, not to exceed \$400 per hour; for associates, not to exceed \$250 per hour; for paralegals, not to exceed \$125 per hour. In such event, these hourly fees shall be contingent upon and payable solely out of any recovery obtained in the litigation. If there is no recovery, Outside Counsel will not be paid for such hourly work. If the recovery is insufficient to pay for such hourly work in full, then any excess remainder hourly fees will not be paid. Outside Counsel shall not submit to the AGO or the State an invoice for such hourly fees on an interim basis. Neither the AGO nor the State is liable under this Agreement to pay compensation of any kind to Outside Counsel, other than from a specific fund of monies that may be recovered on behalf of the State or its agencies as a result of settlement or judgment obtained against the named defendants in the litigation. In the alternative, in the event of a successful challenge to this contingency fee agreement, the AGO or the State, in their sole discretion, may terminate this contract and discharge Outside Counsel from any further representation of the State in the litigation.
- 1.10.2.1.** The hourly rates established above are maximum rates and may be negotiated before assigning a case.
- 1.10.3.** Notwithstanding anything to the contrary in this paragraph, in the event the litigation is dismissed, or the State recovers an amount that does not exceed the hourly billings of Outside Counsel, or Outside Counsel is terminated without cause, the AGO, in its sole discretion, may seek a legislative appropriation to reimburse the hourly billings of Outside Counsel. Outside

Counsel understands and acknowledges that the AGO's obligation to pay for such costs and expenses under said circumstances is entirely subject to and conditioned upon a legislative appropriation outside the control of the AGO and Outside Counsel may seek a recovery for such costs and expenses only from funds so appropriated.

- 1.10.4.** Furthermore, in no event shall the State be required to pay a contingent fee or hourly fee that is unreasonable under the circumstances.

1.11. Court Awarded Attorney Fees

The State intends to seek an award from a court of fees and costs for prosecution of the case. In addition to maintaining detailed contemporaneous time records for the attorneys and paralegals working on this matter in increments of no greater than one tenth of one hour, as set forth above, Outside Counsel shall further ensure that these time records are in a format sufficient to support a court-imposed attorneys' fee award based on those records, including, but not limited to, ensuring the use of the type of specific, detailed billing in an itemized fashion (with no use of block billing) that is required to support an attorneys' fee application in Arizona courts.

Should the court award attorney fees and costs to the State, such amounts will be retained by the State to offset some or all of the fees paid to Outside Counsel under this Agreement.

1.12. Settlement

This compensation agreement applies to any partial or total settlement of the matter that is the subject of this representation. In addition, in the event the AGO enters into a partial settlement against the advice of Outside Counsel, Outside Counsel agrees to and shall continue its representation of the State in the litigation against the remaining defendants and to be compensated in accordance with paragraphs 1.8 and 1.9 and 1.10 above. In the event, the AGO enters into a settlement against the advice of Outside Counsel, and such settlement completely resolves the litigation, Outside Counsel agrees to and will be compensated in accordance with paragraphs 1.8 and 1.9 and 1.10 above.

1.13. Advance Payment Prohibited

No payment in advance or in anticipation of services or supplies under this contract shall be made by the AGO.

2.10. Outside Counsel Responsibilities

2.10.1. Outside Counsel

A “team arrangement” or “multiple firm arrangement” may be proposed, but must be proposed as a Outside Counsel/Co-Counsel relationship. A firm must be designated as Outside Counsel. Outside Counsel shall be responsible for all contractual obligations and the management of all “Co-Counsels”. Outside Counsel shall also be responsible for and agrees to be liable for any acts or omissions of Co-Counsel in the carrying out of its duties on behalf of the State. The AGO will not become part of any negotiations between Outside Counsel and Co-Counsel or accept any invoices from Co-Counsel. Any agreement between Outside Counsel and Co-Counsel shall include provisions indicating that the AGO and the State of Arizona are not third-party beneficiaries of such agreement and that Co-Counsel is not a third-party beneficiary of this Agreement. A Proposal that reflects a teaming arrangement designating more than one entity as a cosigner of the proposal will not be accepted.

2.10.2. Key Personnel

It is essential that the Outside Counsel provide an adequate staff of experienced personnel, capable of and devoted to the successful accomplishment of work to be performed under this Contract. Outside Counsel must assign specific individuals to key positions. Outside Counsel agrees and understands that this Agreement is predicated, in part and among other considerations, on the utilization of the specific individual(s) and/or personnel qualification(s) as identified and/or described in the Outside Counsel’s proposal. Therefore, Outside Counsel agrees that no substitution of such specified individual(s) and/or personnel qualifications shall be made without the prior written approval of the AGO. Outside Counsel further agrees that any substitution made pursuant to this paragraph must be equal or better than originally proposed and that the AGO’s approval of a substitution shall not be construed as an acceptance of the substitution’s performance potential. The AGO agrees that an approval of a substitution will not be unreasonably withheld. Outside Counsel shall bear all transitional expenses incurred for any costs associated with removing or replacing Key Personnel who are performing work under this Contract. Outside Counsel agrees to reveal its staffing levels by function, including resumes, upon request by the AGO at any time during the performance of this Contract.

2.11.1. Oversight

The retention of Outside Counsel is intended to aid the Attorney General in representing the State of Arizona in a major matter. The AGO will be actively involved in all stages of this matter and deciding all major issues, including whether to file suit, when to file suit, who to file suit against, approval of the asserted claim or claims and whether and on what basis to settle or proceed to trial. Outside Counsel shall acknowledge and defer to the Attorney General for direction and decisions.

2.11.2. Review of Services

The AGO reserves the right to review all and every part of the Services during performance or after completion as the AGO may see fit.
