

KRIS MAYES

How To Avoid Social Media Scams

Protect Your Privacy

Keep accounts private and ignore messages from strangers.

Confirm Who You're Talking To

Always verify the identity of people you talk to with something like a video call.

Wait Before Sharing Your Location

Share information about your location only after you have left that location.

Guard Your Family's Information

Be wary of sharing family information, such as children's or grandchildren's names & birthdays.
