Build Financial Literacy and Confidence

**Do you know someone who would
benefit from a supportive and practical
financial clinic?**

This clinic will help service members, veterans and their families explore topics such as:

- Budgeting
- Debt management
- Safeguarding yourself and your loved ones from scams
- Making informed financial decisions

Participants will gain strategies that they can take home and implement immediately through practical tools, helpful resources, and guidance from knowledgeable community partners. Be prepared to navigate financial challenges, plan for the future, and build great financial stability for yourself and your loved ones.
