RE: FY1998 through April 24, 2017 for Not-Referred Non-DOR Uncollectible Debt Report  
FY2016 beginning May 1, 2016 through April 28, 2017, FY2017 Referred Non-DOR Uncollectible Debt Report  
FY 2016 DOR Uncollectible Debt Report

Dear Representative Shooter:

As requested by the Joint Legislative Budget Committee ("JLBC") pursuant to A.R.S. § 35-150(E), enclosed are the FY1998 through April 24, 2017 for Not-Referred Non-DOR Uncollectible, FY2016 beginning May 1, 2016 through April 28, 2017, FY2017 Referred Non-DOR Uncollectible Debt Report and the FY2016 DOR Uncollectible Debt Report ("the Reports").

The Reports include: 1) debt owed to the State that was referred to the Collection Enforcement Revolving Fund ("CERF") for collection and determined to be uncollectible; and 2) debt owed to the Department of Revenue ("DOR") and other State agencies, boards and commissions that was not referred to the CERF and was deemed uncollectible by the agencies; With respect to the DOR debt listed in the Reports as uncollectible, for FY 2016 the Attorney General's Office is relying upon the certification by DOR set forth in memorandum dated January 11, 2017, from DOR to the Attorney General's Office and entitled, "Fiscal Year 2016 Certification of Cases for Abatement" ("Certification"). The Certification states that the debt described in the Certifications meets the criteria pursuant to A.R.S. § 42-1004B, and for liabilities discharged in bankruptcy, pursuant to the United States Bankruptcy Code, and that DOR has validated through its internal policies and process that it verified the reasons for abatement, as stated in the Certifications, and that they are true and accurate.

With respect to the debt owed to State agencies other than DOR that was not referred to CERF, each respective agency Director certified that the agency has validated through its internal policies and processes that it verified the reasons for abatement, as stated in the Certifications, and that they are true and accurate.

The reporting of a debt as uncollectible, including the act of the State abating the debt, does not necessarily preclude the State from reopening a case and collecting a debt owed to the State at a later date. At times, we have been able to reopen a case and collect a debt because we have identified a debtor's assets or revenue source that previously did not exist or was not able to be located. There are three exceptions to when the State would be able to pursue a debtor post-abatement. They are: 1) debts discharged in bankruptcy; 2) debts where the statute of limitations has expired; and 3) debts that the State has agreed to settle for a lesser amount than what was owed.

The Reports provide a reason each debt is deemed uncollectible. The reasons include case settled, debtor deceased, unable to locate debtor, collection costs would exceed the amount to be collected, debtor has neither assets nor wages, debtor lives and/or works on a Reservation, and debt discharged in bankruptcy/corporation/LLC defunct.

Finally, the Reports also provide the amount uncollected for each debt. This amount may include all or a portion of the original debt and, if applicable, all or a portion of interest and penalties associated with the debt.

Please contact either of the undersigned if you have any questions.

Sincerely,

Don J. Lawrence, Jr.  
Section Chief Counsel
