SUBJECT: Attorney General - Review of Allocation of Settlement Monies

#### Request

The General Appropriation Act (Laws 2011, Chapter 24) contains a footnote that requires Joint Legislative Budget Committee (JLBC) review of the expenditure plan for settlement monies over \$100,000 received by the Office of the Attorney General (AG), or any other person on behalf of the State of Arizona, prior to expenditure of the monies. Settlements that are deposited in the General Fund pursuant to statute do not require JLBC review.

This request is for review of the expenditure plan for a total of \$2,359,200 from 2 settlements: 1) a \$395,000 allocation to the AG from a consent judgment with American Residential Services (ARS) and its subsidiaries, which are home heating and air conditioning repair companies; and 2) a \$1,964,200 settlement from a consent judgment with Abbott Laboratories, a pharmaceutical company.

#### Recommendation

The JLBC Staff recommends that the Committee give a favorable review of the allocation plans from the \$395,000 consent judgment with ARS and the \$1,964,200 settlement with Abbott. The allocation plans are consistent with A.R.S. § 44-1531.01, which relates to the distribution of monies recovered as a result of enforcing consumer protection or consumer fraud statutes.

#### **Analysis**

#### American Residential Services

In April 2012, the AG entered into a consent judgment with ARS as a result of their consumer fraud investigation of ARS. The investigation alleged that ARS and its subsidiaries (which include ARS Rescue Rooter, Goettl Air Conditioning, and Russett Services) engaged in violations to the Consumer Fraud Act, which included false and misleading sales tactics.

The settlement requires ARS to pay \$395,000 to the AG. Of that amount, \$240,000 is for consumer restitution for consumers who have filed complaints with the AG. The AG received approximately 200 complaints from consumers.

The remaining \$155,000 will be deposited into the Consumer Fraud Revolving Fund for attorney fees, investigation costs, and to support consumer fraud investigations, consumer education, enforcement of the Consumer Fraud Act and AG operating expenses. The Consumer Fraud Revolving Fund is appropriated and the AG's ability to expend up to the fund's appropriation level of \$3.5 million depends on the amount of settlement revenues into the fund.

The settlement also requires ARS to prohibit the use of financial incentives that could motivate employees to engage in improper marketing, to discontinue advertisements that appear to be official governmental notices, to truthfully convey safety concerns that would necessitate replacement of heating or cooling systems, to accurately represent affiliations and memberships in trade organizations, and to provide a written contract that consumers will sign before commencing work. The settlement does not acknowledge any wrongdoing on the part of ARS.

#### **Abbott Laboratories**

In May 2012, Arizona, 44 other states, and the District of Columbia entered into a consent judgment with Abbott as a result of allegations that Abbott falsely marketed Depakote, an anti-seizure medication. The complaint alleged that Abbott marketed Depakote for uses that were not FDA approved, also known as "off-label" uses. Physicians can prescribe drugs for off-label uses, but the drugs cannot be marketed as such. The FDA has not approved Depakote to treat symptoms of dementia or schizophrenia, yet Abbott marketed Depakote for those uses.

The settlement requires Abbott to pay \$1,964,200 to the AG. This amount will be deposited into the Consumer Fraud Revolving Fund for attorney fees, investigation costs, and to support consumer fraud investigations, consumer education, and enforcement of the Consumer Fraud Act and AG operating expenses. The Consumer Fraud Revolving Fund is appropriated and the AG's ability to expend up to the fund's appropriation level of \$3.5 million depends on the amount of settlement revenues into the fund.

The settlement also requires Abbott to avoid misleading claims about Depakote, avoid promoting Depakote for off-label uses, disclose payments to physicians, and register and disclose clinical trials.

The Honorable Andy Tobin Speaker of the House 1700 West Washington Street Phoenix, AZ 85007

The Honorable Don Shooter Chairman, Joint Legislative Budget Committee 1700 West Washington Street Phoenix, AZ 85007

The State of Arizona recently settled a case against American Residential Services, L.L.C., and its subsidiary companies, resolving allegations that these home heating and air conditioning repair companies engaged in deceptive practices in violation of the Arizona Consumer Fraud Act, A.R.S. §44 – 1521, et seq.

The settlement, in the form of a Consent Judgment, resolves the allegations contained in the lawsuit filed in September 2011 by the Attorney General's Office. Filed in Pima County Superior Court, the lawsuit alleged that American Residential Services engaged in numerous violations of the Arizona Consumer Fraud Act, including false, misleading and deceptive sales tactics involving older consumers.

American Residential Services operates under that name as well as operating several other companies in Pima, Maricopa, Cochise and Yavapai counties. The other companies include ARS, ARS Rescue Rooter, Goettl Air Conditioning, and Russett Services (collectively "ARS").

The Consent Judgment, which does not include an admission of wrongdoing, requires that ARS does the following:

- Prior to any sale, give consumers a written contract of the equipment and services ARS is selling and have the consumers sign the contract before ARS commences work.
- Have a written policy that prohibits the use of financial incentives to motivate its employees to engage in improper promotion and/or marketing.
- Ensure that any statement or implication that safety concerns necessitate the immediate replacement of an HVAC or plumbing system is true, in the ARS technician's expert opinion.
- Advertise in a clear, prominent, truthful and non-misleading manner. Disclaimers must not contradict any other information in the advertisement.
- Make truthful representations about affiliation with or membership in any trade or professional organization, including the BBB.
- Discontinue dissemination of any advertising that represents, through the use of federal, state, or local government logos or language, that the advertisement is an official governmental notice.

Under the Consent Judgment, ARS is required to pay \$240,000 for consumer restitution, which the Attorney General's Office will distribute to eligible consumers. Finally, the Judgment requires payment of \$155,000 for attorney's fees and costs, which will be deposited into the Consumer Fraud Revolving Fund pursuant to A.R.S. § 44-1531.01 and used for the purposes set forth in statute.

Re:

State of Arizona v. Abbott Laboratories et al.- Pima County, C20122907

Gentlemen:

The State of Arizona recently settled a case against Abbott Laboratories ("Abbott"), resolving allegations that the company deceptively marketed Depakote®, an anti-seizure medication, by promoting the drug for uses not approved by the U.S. Food and Drug Administration ("FDA").

The settlement, in the form of a Consent Judgment, was joined by 44 other states and the District of Columbia. The State's complaint, filed concurrently with the Consent Judgment, alleged that Abbott engaged in deceptive practices in connection with its marketing and promotion of Depakote® ("Depakote"). As explained in the Complaint, Abbott obtained FDA approval to market Depakote only for treatment of seizure disorders, mania associated with bipolar disorder, and to prevent migraines. Although Abbott did not possess substantial evidence that Depakote was effective for the treatment of non-approved uses – including agitation associated with dementia, or as adjunct therapy with antipsychotics to treat schizophrenia – Abbott allegedly chose to bypass the regulatory process and to engage in off-label promotion for these indications.

As further alleged in the Complaint, Abbott instructed its sales representatives to distribute and detail medical studies that purportedly found Depakote to be effective for the off-label uses, although those studies were not based on competent and reliable scientific evidence. Abbott conducted a clinical trial to support the use of Depakote as an adjunct with antipsychotic medication to treat schizophrenia (not an FDA-approved use) that allegedly showed Depakote to be ineffective for this use. Nonetheless, Abbott allegedly continued to promote Depakote as an adjunct with antipsychotic medications to treat schizophrenia and failed to timely publish or publicize the negative study results. Similarly, even after Abbott learned about a well conducted, well designed clinical trial that found Depakote to be ineffective for treatment of agitation associated with dementia, Abbott allegedly continued to promote Depakote off-label for this indication as well.

Abott's decision to promote Depakote for unapproved uses was, according to the Complaint, driven by Abbott's understanding that the studies required by the FDA to demonstrate safety and efficacy for these indications would be expensive and the results of the required studies might not be sufficient to support Abbott's application. Abbott was also allegedly concerned that even if the FDA approved the new indications, the patent on Depakote would expire at about the same time as FDA's approval, and Abbott would not be able to take advantage of the approval before cheaper generics captured the market.

The Consent Judgment prohibits Abbott from illegally promoting Depakote and requires the company to significantly change its business practices. Under the Consent Judgment, Abbott Laboratories is:

- Prohibited from making false or misleading claims about Depakote;
- Prohibited from promoting Depakote for off-label uses; and
- Required to ensure financial incentives on sales do not promote off-label uses of Depakote.

In addition, for a five-year period Abbott must:

- Follow specific guidelines to ensure the company provides accurate, balanced and medically sound responses to requests for medical information concerning potential offlabel uses of Depakote;
- Limit dissemination of reprints of clinical studies relating to off-label uses of Depakote;
- Limit use of grants for Continuing Medical Education to avoid the improper promotion of Depakote;
- · Disclose payments to physicians; and
- Register and disclose clinical trials.

The Consent Judgment further requires Abbott to pay a total of \$100 million to the 46 settling jurisdictions. Arizona will receive \$1,964,188, which will be deposited into the

Consumer Fraud Revolving Fund pursuant to the terms of the Judgment and A.R.S. § 44-1531.01.

In the event the Attorney General of a participating state suspects the company is violating one or more provisions of the settlement, the Consent Judgment requires the Attorney General to notify the company of the potential area of non-compliance and provides the company a 30 day period to respond.

Our notification of this settlement is made without prejudice to our Office's long-standing position that it is not under any legal obligation to provide notices of settlements to the Joint Legislative Budget Committee. We are providing this notification to you as a courtesy so that you will be aware of this important settlement.

SUBJECT: Attorney General - Review of FY 2007 and FY 2008 Uncollectible Debts

#### Request

Pursuant to A.R.S. § 35-150E, the Attorney General (AG) requests that the Joint Legislative Budget Committee (JLBC) review its FY 2007 and FY 2008 listings of uncollectible debts referred to the AG by state agencies for collection. The total listings are \$10.2 million for FY 2007 and \$15.9 million for FY 2008. The JLBC favorably reviewed the FY 2009 and FY 2010 uncollectible debt report at its most recent Committee meeting in April.

#### Recommendation

The Committee has at least 2 options:

- 1. A favorable review.
- 2. An unfavorable review.

A favorable review by the Committee would allow the State Comptroller to remove debt, certified by the AG as uncollectible, from the state accounting system.

Under either option, the JLBC Staff recommends that the AG report back to the Committee by October 31, 2012 on its evaluation of releasing debtor information to credit reporting agencies.

#### Analysis

The AG's Collection Enforcement Unit functions as a collection service for past due debts owed to state agencies, boards, and commissions. The unit returns 65% of collected monies to the client agencies and retains the remaining 35% for unit operational costs. While the Collection Enforcement Unit is able to collect monies from many individuals and businesses that owe monies to the state, some debts are uncollectible for a variety of reasons. Laws 1999, Chapter 300 created a procedure for the State Comptroller to remove uncollectible debts from the state accounting system after receiving annual notice of uncollectible debt from the AG and review by the JLBC.

The AG's office reviewed the cases assigned to the Collection Enforcement Unit. Based on this review, the AG advises that \$10.2 million owed to the state is uncollectible as of FY 2007 and \$15.9 million is uncollectible as of FY 2008. Of these amounts, approximately 93% of all debts in FY 2007 are classified under 4 categories: 1) debt

(Continued)

was discharged in bankruptcy or the debtor is a defunct corporation; 2) collection cost would exceed amount owed; 3) the debtor has no assets, wages, and/or a negative credit report; or 4) settled. Approximately 82% of all debt in FY 2008 is classified under 3 categories: 1) collection cost would exceed amount owed; 2) debt was discharged in bankruptcy or the debtor is a defunct corporation; or 3) the debtor has no assets, wages, and/or a negative credit report. The remaining amount is listed as uncollectible for reasons including that the debtor is deceased or an inability to locate the debtor.

The 5 largest individual FY 2008 cases comprise \$1.6 million of the \$15.9 million, or 10% of the uncollectible debt total. During the Committee meeting in April, the AG was asked to elaborate on their process for reporting debtors with uncollectible debt to credit agencies. The AG responded that they do not actively report debtors to credit reporting agencies. However, if the AG sues and obtains a judgment against a debtor or if the Department of Revenue places a lien on a debtor who has outstanding Department of Revenue debt, the debtor's information is automatically released to credit reporting agencies. The AG is currently evaluating if they should begin to actively report the debtors' information that is not automatically released to credit reporting agencies and will report the results of that analysis by October 31, 2012.

#### HAND DELIVERED

The Honorable Don Shooter, Chairman Joint Legislative Budget Committee Arizona State Senate 1716 West Adams Phoenix, Arizona 85007

RE: Revised FY 2007 and FY 2008 Uncollectible Debt Reports

Dear Senator Shooter:

As requested by the Joint Legislative Budget Committee ("JLBC") under A.R.S.§35-150(E), enclosed are the Uncollectible Debt Reports for the fiscal years ending June 30, 2007 and June 30, 2008 ("the Reports").

The Reports include: 1) all debt owed to the State that was referred to the Collection Enforcement Revolving Fund for collection and determined to be uncollectible; and 2) Department of Revenue ("DOR") debt that was not referred to the Collection Enforcement Revolving Fund and was deemed uncollectible by DOR. With respect to the DOR debt listed in the Reports as uncollectible, the Attorney General's Office is relying upon the certifications by DOR set forth in memoranda dated August 21, 2009, entitled "FY 2007 and FY 2008 Abatement Request" and April 11, 2012, entitled "FY 2007 Certification of Cases for Uncollectible Write-Off and Bankruptcy Discharge" and "FY 2008 Certification of Cases for Uncollectible Write-Off and Bankruptcy Discharge" from DOR to the Attorney General's Office ("Certifications"), that the debt described in the Certifications meets the criteria pursuant to A.R.S.§42-1004B and that DOR has validated through its internal policies and process that it verified the reasons for abatement, as stated in the Certifications, are true and accurate.

The reporting of a debt as uncollectible, including the act of the State abating the debt, does not necessarily preclude the State from reopening a case and collecting a debt owed to the State at a later date. At times, we have been able to reopen a case and collect a debt because we have identified a debtor's assets or revenue source that previously did not exist or was not able to be located. There are three exceptions to when the State would be able to pursue a debtor post-abatement. They are: 1) debt discharged in bankruptcy; 2) debt where the statute of limitations

The Honorable Don Shooter April 11, 2012 Page 2

has expired; and 3) debt that the State has agreed to settle for a lesser amount than what was owed.

The Reports provide a reason each debt is deemed uncollectible. The reasons include case settled, debtor deceased, unable to locate debtor, collection costs would exceed the amount to be collected, debtor has neither assets nor wages, debtor lives and/or works on a Reservation, debt discharged in bankruptcy/corporation/LLC defunct, debtor is incarcerated, judgment not enforceable in the State of Texas, and paid in full per out-of-state judgment.

Note that the Reports have been revised from the Reports submitted on July 12, 2010, because a) DOR subsequently submitted to the Attorney General's Office some revised reasons for abatement that more accurately describe the reasons DOR deemed the debt uncollectible, and b) DOR determined and certified that two matters previously listed were not valid tax billings and, thus, not uncollectible debt.

The Reports also provide the amount uncollected for each debt. This amount may include all or a portion of the original debt and, if applicable, all or a portion of interest and penalties associated with the debt.

Please contact me if you have any questions.

Thomas K. Chenal
