	STATE OF ARIZONA OFFICE OF THE ATTORNEY GENERAL CONTRACT	State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004
	SCOPE OF WORK AG24-0020	

1. SCOPE OF WORK

1.1. Background

The Office of the Arizona Attorney General (“AGO”) has the authority to bring actions alleging violations of the Consumer Fraud Act (A.R.S. §44-1521 *et. seq*) and/or other state and federal consumer protection laws. The Civil Litigation Division (CLD) of the AGO works to protect the public from consumer fraud, antitrust and anti-competitive conduct, and related civil litigation matters, as well as to provide advocacy and public education on consumer protection and related issues with an emphasis on fraud and abuse.

1.2. Purpose

The purpose of this contract is to retain the law firm of Kozyak Tropin & Throckmorton LLP (hereafter “Outside Counsel”) to aid the AGO in the pending Multi District Litigation (“MDL”) against the manufacturer(s) of certain analog insulin and other select type 2 diabetes products, as well as any pharmacies and/or pharmacy benefit management companies (“PBMs”) involved with pricing irregularities for analog insulin and other select type 2 diabetes products. Legal counsel will bring such action on a contingency fee basis per the terms set forth in this Contract.

1.3. Assignment of Cases

No work, in the name of the Office of the Arizona Attorney General or the State of Arizona shall be undertaken without a written assignment letter or Notice to Proceed from the AGO.

1.4. Goals

Litigation on this matter would be brought under the Arizona Consumer Fraud Act, A.R.S. § 44-1521 *et. seq* and/or other state and federal consumer protection and products liability laws and related statutes, as well as under tort theories, on behalf of the State of Arizona. Such litigation would seek to recover monetary damages, civil penalties, disgorgement, restitution, attorneys' fees, costs, potential injunctive relief and other equitable relief, and any other appropriate relief, after consultation with the AGO. The Attorney General will consider seeking all or any combination of these remedies, and will make all final decisions regarding claims and remedies in consultation with Outside Counsel.

1.5. Hierarchy

The retention of Outside Counsel under this contract is intended to aid the Attorney General in representing the State of Arizona in the case against the entities listed in section 1.2. The AGO will be actively involved in all stages of matters and will be the ultimate decision-maker on all material aspects and issues, including (but not limited to) whether and when to file suit; whom to sue; what claims to assert in any suit; and whether and on what terms to settle or proceed to trial. The Attorney General shall retain the right to make all decisions with respect to litigation strategy. The AGO shall be co-counsel of record in the litigation.

1.6. Scope of Work Tasks

Outside Counsel shall be responsible for the following tasks and shall perform these tasks in accordance with the Method of Approach or other case-plan documents prepared in connection with a particular representation, written assignment letter, or Notice to Proceed.

1.6.1. Evaluation of Potential Claims

	STATE OF ARIZONA OFFICE OF THE ATTORNEY GENERAL CONTRACT	State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004
	SCOPE OF WORK AG24-0020	

- 1.6.2. Decision Process
- 1.6.3. Pre-Litigation Activities
- 1.6.4. Litigation, including trial and all appeals
- 1.6.5. Litigation Support (including document reviews)
- 1.6.6. Post Litigation Support

1.7. Reporting

1.7.1. Monthly Reports

Outside Counsel shall prepare and submit monthly reports to the AGO summarizing activities from the previous month and detailing the hours, rates, and costs incurred during that month. Throughout the pendency of this matter, Outside Counsel shall maintain detailed contemporaneous hourly time records for the attorneys and paralegals working on the matter in increments of no greater than one tenth of one hour and shall promptly provide these records to the AGO on request. Where time is spent or expenses are disbursed or incurred by Outside Counsel that also benefit other clients of Outside Counsel in other, similar litigation, only the portion of such time or expenses exclusively allocable to the State in connection with this matter shall be claimed as reasonable expenses of prosecuting the envisioned litigation. The report shall also include activities planned for the upcoming month and budgetary costs associated with these activities. The report shall be due by the seventh day of each month. Reports shall be prepared in a format and of a quality approved by the AGO.

1.7.2. Bi-weekly Status Reports

Outside Counsel shall prepare and submit bi-weekly Status Reports throughout the course of the representation. These Status Reports will summarize key activity that occurred in the prior two weeks and list all key activities and deadlines anticipated in the coming two weeks. The Status Report will be due on alternate Mondays for the duration of the representation. Reports shall be prepared in a format and of a quality approved by the AGO.

1.7.3. Reporting of Related Litigation

If at any time during the course of a representation Outside Counsel serves as class counsel or files court papers seeking to serve as class counsel in a class action related to the representation or the conduct at issue in the representation, Outside Counsel must immediately notify the AGO of the pertinent class action and Outside Counsel's role or requested role in the class action. If at any time during the course of the representation Outside Counsel serves as counsel to any other government entity in the state of Arizona with respect to the conduct at issue in the representation, Outside Counsel must immediately notify the AGO of the Arizona government entities represented by Outside Counsel and the specific claims filed or requested to be filed in the MDL. The AGO, in its sole and reasonably exercised discretion, shall make all determinations as to whether an additional representation of other Arizona government entities by Outside Counsel in the MDL constitutes a conflict with the interests of the State of Arizona.

1.8. Compensation

1.8.1. Contingency

Neither the Office of the Attorney General nor the State of Arizona is liable under this Contract to pay compensation to Outside Counsel other than from a specific fund of monies that is recovered in connection with assigned matters on behalf of the State or its agencies as a result of settlement or

	STATE OF ARIZONA OFFICE OF THE ATTORNEY GENERAL CONTRACT	State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004
	SCOPE OF WORK AG24-0020	

judgment related to the representation described in this Contract.

1.8.2. Compensation

1.8.2.1. It is agreed that the pre-set, fixed fee ("Fee") to be charged by Outside Counsel in connection with the representation described in this Contract shall be contingent so that if no recovery is obtained on behalf of the Attorney General or the State of Arizona in this matter, no Fee will be charged by Outside Counsel for the representation. If there is a recovery, the Fee will be based on the contingent fee percentages set forth in A.R.S. § 41-4803, which percentages shall be applied to the gross amount received by settlement, at trial, or on appeal, subject to the following specific limitation: the Fee shall be calculated only based upon the recovery and collection of monetary damages, restitution, the quantifiable monetary value of any and all noneconomic damages, including but not limited to the recoverable value of any injunctive relief, and civil penalties pursuant to A.R.S. § 44-1531 or disgorgement pursuant to A.R.S. § 44-1528(A)(3). Any amounts awarded by any court specifically for the reimbursement of taxable costs or other costs incurred during the course of litigation shall be excluded from computation of the contingency Fee, and will instead be allocated as described herein.

1.8.2.2. Outside Counsel shall be responsible for paying all internal, litigation-related expenses of Outside Counsel, including (but not limited to) costs related to copies and office supplies. The State shall be responsible for the following enumerated costs: (i) fees relating to the engagement and use of expert witness; (ii) fees for court reporters and deposition transcripts; (iii) all court fees such as appearance fees, filing fees, or jury fees; (iv) the State's share of payments to mediators; (v) taxable costs of opposing parties if so ordered by a court of competent jurisdiction; (vi) all case-specific costs relating to factual discovery and document review, including (but not limited to) document review fees, document hosting and storage fees, and fees related to acquisition of attorney work product from related actions pertinent to factual discovery or review of documents; and (vii) case-related travel costs at rates consistent with Arizona state employee travel policies. These fees for which the State will bear ultimate responsibility shall be paid by the State only as follows. Outside Counsel shall advance all such costs and expenses on behalf of the State, with all costs exceeding \$1,000 requiring prior approval from the AGO. Outside Counsel shall not submit to the AGO or the State an invoice for such costs and expenses on an interim basis, but instead shall keep a detailed accounting during the course of the representation (subject to review upon request by the AGO). In the event of any recovery by the State or AGO in connection with this representation, the State agrees that Outside Counsel shall then be paid for all such advanced costs and expenses from the State's share of the recovery, which shall include any award designated by a court as reimbursement for litigation costs. In the event the litigation is dismissed, or the State recovers an amount that does not exceed the reimbursable costs and disbursements detailed above, or the State recovers nothing, or Outside Counsel is terminated without cause, the AGO agrees to seek a legislative appropriation to reimburse reasonable costs. Outside Counsel understands and acknowledges that the AGO's obligation to pay for such costs and expenses under said circumstances is entirely subject to and conditioned upon a legislative appropriation outside the control of the AGO, and Outside Counsel may seek a recovery for such costs and expenses only from funds so appropriated.

	STATE OF ARIZONA OFFICE OF THE ATTORNEY GENERAL CONTRACT	State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004
	SCOPE OF WORK AG24-0020	

1.8.2.3. Notwithstanding the above, neither the State nor the AGO shall be responsible for sanctions entered against Outside Counsel.

1.9. Basis of Compensation

1.9.1. If there is recovery of any kind for the State, the amount of compensation due to Outside Counsel as a Fee shall be paid in an amount no greater than the percentages set forth in A.R.S. §41-4803, with the limitations set forth in the statute not to be exceeded, and the Fee being further subject to judicial approval for reasonableness. The fee shall be calculated only based upon the recovery and collection of monetary damages, restitution, and civil penalties pursuant to A.R.S. § 44-1531 or disgorgement pursuant to A.R.S. § 44-1528(A)(3).

1.9.1.1. Contingency fee maximums are established by A.R.S. §41-4803, the AGO reserves the right to negotiate the rate before assigning a case.

1.9.2. A defendant who is “settling” is a defendant who has entered into a written settlement agreement with the State of Arizona. The settlement agreement shall determine the compensation as per paragraph 1.12. Settlement below.

1.9.3. The State reserves the right to petition any court before payment to determine reasonableness of attorneys’ fees outlined in this Contract.

1.10. Challenge to Contingency Fee Arrangements

1.10.1. The AGO and Outside Counsel agree that the contingent fee provisions set forth in A.R.S. §§ 41-4801 to 41-4805 are valid and govern this Contract. The AGO and Outside Counsel agree that the percentage limitations of A.R.S. § 41-4803 properly apply to the special circumstances of this Contract. The AGO and Outside Counsel further agree that the percentages set forth in A.R.S. § 41-4803 are reasonable and in the public interest.

1.10.2. The AGO and Outside Counsel are aware that defendants may challenge and seek to invalidate or limit this contingency fee arrangement. Any such challenge shall not excuse Outside Counsel's duty to perform under this Contract. The AGO agrees to join Outside Counsel in opposing any challenge to this contingency fee arrangement. In the event of a successful challenge to this contingency fee Contract, the AGO agrees to join Outside Counsel in arguing to the Court that the contingency fee percentages set forth in A.R.S. § 41-4803 are fair and reasonable for purposes of compensation and a formal attorneys’ fees application, and in the event such argument is not successful, then Outside Counsel agrees to and shall continue its representation of the State in the litigation at the following maximum hourly billing rates: for partners, not to exceed \$400 per hour; for associates, not to exceed \$250 per hour; for paralegals, not to exceed \$125 per hour. In such event, these hourly fees shall be contingent upon and payable solely out of any recovery obtained in the litigation. If there is no recovery, Outside Counsel will not be paid for such hourly work. If the recovery is insufficient to pay for such hourly work in full, then any excess remainder hourly fees will not be paid. Outside Counsel shall not submit to the AGO or the State an invoice for such hourly fees on an interim basis. Neither the AGO nor the State is liable under this Contract to pay compensation of any kind to Outside Counsel, other than from a specific fund of monies that may be recovered on behalf of the State or its agencies as a result of settlement or judgment obtained against the named defendants in the litigation. In the alternative, in the event of a successful challenge to this contingency fee Contract, the AGO or

	STATE OF ARIZONA OFFICE OF THE ATTORNEY GENERAL CONTRACT	State of Arizona Office of the Attorney General 2005 N Central Ave Phoenix, AZ 85004
	SCOPE OF WORK AG24-0020	

the State, in their sole discretion, may terminate this contract and discharge Outside Counsel from any further representation of the State in the litigation.

1.10.2.1. The hourly rates established above are maximum rates and may be negotiated before assigning a case.

1.10.3. Notwithstanding anything to the contrary in this paragraph, in the event the litigation is dismissed, or the State recovers an amount that does not exceed the hourly billings of Outside Counsel, or Outside Counsel is terminated without cause, the AGO, in its sole discretion, may seek a legislative appropriation to reimburse the hourly billings of Outside Counsel. Outside Counsel understands and acknowledges that the AGO's obligation to pay for such costs and expenses under said circumstances is entirely subject to and conditioned upon a legislative appropriation outside the control of the AGO and Outside Counsel may seek a recovery for such costs and expenses only from funds so appropriated.

1.10.4. Furthermore, in no event shall the State be required to pay a contingent fee or hourly fee that is unreasonable under the circumstances.

1.11. Court Awarded Attorney Fees

The State intends to seek an award from a court of fees and costs for prosecution of the case. In addition to maintaining detailed contemporaneous time records for the attorneys and paralegals working on this matter in increments of no greater than one tenth of one hour, as set forth above, Outside Counsel shall further ensure that these time records are in a format sufficient to support a court-imposed attorneys' fee award based on those records, including, but not limited to, ensuring the use of the type of specific, detailed billing in an itemized fashion (with no use of block billing) that is required to support an attorneys' fee application in Arizona courts.

Should the court award attorney fees to the State, such amounts will be considered part of the recovery from which the contingency Fee is calculated. Should the court award any amounts designated as reimbursement for costs of litigation, such amounts will be treated as set forth in Section 1.8.2.2.

1.12. Settlement

This compensation Contract applies to any partial or total settlement of the matter that is the subject of this representation. In addition, in the event the AGO enters into a partial settlement against the advice of Outside Counsel, Outside Counsel agrees to and shall continue its representation of the State in the litigation against the remaining defendants and to be compensated in accordance with paragraphs 1.8 and 1.9 and 1.10 above. In the event the AGO enters into a settlement against the advice of Outside Counsel, and such settlement completely resolves the litigation, Outside Counsel agrees to and will be compensated in accordance with paragraphs 1.8 and 1.9 and 1.10 above.

1.13. Advance Payment Prohibited

No payment in advance or in anticipation of services or supplies under this contract shall be made by the AGO.

The AGO will not become part of any negotiations between Outside Counsel and Outside Co-Counsel or accept any invoices from Outside Co-Counsel. Any agreement between Outside Counsel and Outside Co-Counsel shall include provisions indicating that the AGO and the State of Arizona are not third-party beneficiaries of such agreement and that Outside Co-Counsel is not a third-party beneficiary of this Contract. A Proposal that reflects a teaming arrangement designating more than one entity as a cosigner of the proposal will not be accepted.

2.9.2. Key Personnel

Electronic Deliverables shall be treated with confidentiality and provided through encrypted e-mail, the AGO file share website (<https://agfileshare.azag.gov>), encrypted hard drive, or encrypted flash drive.

2.10. Oversight and Draft Document Review

2.10.1. Oversight

All draft deliverables and other materials developed by the Outside Counsel as part of a representation under this Contract shall be reviewed and approved in writing by the AGO prior to finalizing the material. Any documents intended to be filed with the court or transmitted to opposing counsel/parties shall be provided to the AGO for review and comment at least 48 hours prior to the filing or transmittal deadline, unless otherwise specified in writing by the designated AGO attorney. Outside Counsel shall promptly provide, in final form, the designated AGO attorney with copies of all pleadings, discovery requests and responses, and relevant correspondence related to the Litigation. Outside Counsel shall agree to make available at the office of the Outside Counsel at all reasonable times during the period, as set forth below, any of the records for inspection, audit or reproduction by any authorized representative of the State or AGO. In coordination with the AGO, Outside Counsel shall preserve and make available the records for a period of five years from the date of final payment under the Contract and for such period, if any, as is required by applicable statute. If the Contract is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of five years from the date of the final resolution of litigation.

2.12. Professional Responsibility

2.12.1. General

Outside Counsel shall use best efforts to perform and complete the Services in accordance with the provisions of this Contract. Best efforts shall be considered those efforts which a skilled, competent, experienced, and prudent legal professional would use to perform and complete the requirements of this Contract in a timely manner, exercising the degree of skill, care, competence, and prudence customarily imposed on a legal professional performing similar work. All attorneys performing tasks related to this Contract under the auspices of Outside Counsel or Outside Co-Counsel shall at all times comply with the rules of the state in which the attorneys are licensed to practice, the rules and orders of all courts in which the attorneys appear on behalf of the State of Arizona, and all applicable Arizona Rules of Professional Conduct as set forth in Rule 42 of the Rules of the Supreme Court of Arizona.
