The Arizona Attorney General's Crime, Fraud & Victim Resource Center is a statewide crime prevention and education initiative. The unit offers educational presentations and provides written and Web-based resources to community groups on a wide range of issues. Topics include: Top 10 consumer scams, [identity theft](#), [methamphetamine](#), [internet safety](#), [life care planning](#), [foreclosure fraud](#), [cyber-bullying](#), [fair housing](#), [employment discrimination](#), [voting discrimination and discrimination in public accommodations](#).

The Crime, Fraud & Victim Resource Center maintains a network of neighborhood satellite offices and centers throughout Arizona. Satellite offices are staffed by volunteers trained to provide information and take complaints on consumer fraud, discrimination and other topics of community concern. Satellite centers offer informational literature on these topics with volunteers ready to assist individuals with questions or complaints. The Attorney General's satellite offices and centers are operated at no cost to taxpayers; they are housed in donated venues and staffed by unpaid volunteers.
